

## Civilized Solution

Everybody grew angry at Kadija for her DWB arrest. The officer for the additional form he had to fill out, and which he kept screwing up; his partner because he had to fix the screwups. Woman Desk Officer who was obviously superior to anyone on earth!

Kadija's father sent his lawyer, Harding Kell, to get her out on bail.

He dropped her at Gem's apartment. Jasmine showed up later. Then, they worked up a list of white men and women to drive them.
